

HubSpot Marketing Hub Starter

What you get

HubSpot Marketing Hub Starter gives you the tools to give your marketing that personal touch, without the personal time.

Engage and convert customers faster while putting time back in your day by personalising, segmenting, and automating your marketing.

Reporting

Accessible Analytics

Get all your essential marketing reports out of the box to report on overall performance and unpack conversion.

Automation

Simple Automation

Segment and personalise your customer experience while saving time by automating routine tasks.

Campaigns

Marketing Tools

Powerful, integrated marketing tools to help you own your brand across all your touchpoints, without a slew of point solutions.

Introducing Simple Marketing Automation

Simple automation for email and forms – empowering you to save time and personalise your customer experience with connected data by putting routine tasks on autopilot.

- ✓ Automate sending personalised drip campaigns
- ✓ Manage Email Subscriptions
- ✓ Segment marketing audiences with automated list management
- ✓ Automate follow-ups triggered by form submission
- ✓ Automate Newsletter Sends
